

# Micro-Plate Shaker

MPS1E

## Features

MPS1E is an orbital shaker for micro-plate (PCR, ELISA, Deep-Well)

- Simple and convenient to operate, safe and stable without noise
- DC brushless motor, provide gentle oscillation without fluctuation
- Can be used in low temperature or incubator

## Specifications

Speed	0 ~ 2600rpm
Amplitude	5mm
Timer	0 ~ 60min
Voltage	110 ~ 220V; 50~60Hz
Weight	2Kg
Dimension (mm)	190(W) x 190(D) x 120(H)
