

# Orbital Shaker

OS20U

## Features

OS20U is a micro-processor controlled heavy duty orbital shakers with universal tray

- DC brushless motor
- LCD display, simple and convenient
- Low energy consumption and low noise
- Suitable for use in freezer rooms
- Alarm automatically after completion of process

## Specifications

Speed	0 ~ 300rpm
Amplitude	20mm
Tray Size (mm)	420(W) x 290(D)
Timer	0 ~ 99m59s
Voltage	AC100~120V / AC200~240V; 50~60Hz
Weight	20Kg
Dimension (mm)	420(W) x 410(D) x 260(H)
